Hello Jennifer,

I have attached the final monograph for glyphosate. I was lead writer for sections 1.1 through 1.3 (Identification, Production and Use, and Measurement Methods). I was also a reviewer/contributer for section 1.4 (Occurrence and Exposure).

I was responsible for the same sections for the monographs on Diazinon, Malathion, and Tetrachlorvinphos.

Please let me know if you have any questions.

Thank you,

Peter
